

Active Foam Ocean

Intensive foam

Highly concentrated, phosphate- and NTA-free foam with intensive aroma for gantry washing systems, wash systems, self-service carwashes and hand washing. The extremely high ratio of anionic surfactants creates a unique foam formation as well as an intensive and paintwork protecting cleaning performance and supports the self-cleaning and therefore the service life of the brushes. The fresh and long-lasting odour provides an intensive fragrance experience. Optimally suited as well for biological service water treatment plants. VDA conform to class A: reaction time max. 5 min, max. application concentration 1:100

page 1 of 1

Areas of use

Gantry washing systems, wash systems, self-service carwashes, hand washing, etc.

Recommendations for use

Apply undiluted or diluted up to 1:10 with the dosing pump. Recommended dosage per car: foam and self-service systems: 3-8 ml. Shampoo: 1-3 ml. Hand wash: 1:300. Because of its higher product viscosity (lower delivery capacity of the dosing pumps) the product may have to be diluted beforehand. VDA conform to class A: reaction time max. 5 min, max. application concentration 1:100
