

Glanzwachssha mpoo

Concentrated, phosphate- and NTA-free quick-dispersing shampoo for hand washing. The combination of cationic and non-ionic surfactants and conserving components guarantees careful, thorough cleaning and protects the paintwork. Washing, maintaining, drying and conserving are all carried out in a single step. After rinsing, the water film disperses immediately and this supports the fast drying of the vehicle. With Daimler approval. Quick-separating in accordance with ÖNORM 5106. VDA conform to class A.

page 1 of 1

Areas of use

Cars, motor cycles, recreational and commercial vehicles, etc.

Recommendations for use

Hand washing: 50 ml in 10 litres water, clean the vehicle with a wash pad or washing mitt and rinse with water. To prevent limescale stains, use a drying towel to dry.
